Subject: Re: FlyWire Summer Internship – Qualification Challenge
To:

Dear Applicants,

Thank you for your continued engagement with the qualification challenge. Following several inquiries, we have a few important updates and clarifications:

1. Extended Deadline: The submission deadline has been extended to June 12th, 11:59 PM EST.
2. Connectivity Requirement: The discovered isomorphic structures must be weakly connected.
3. Brain Region Clarification: There is no requirement that matched neurons come from the same brain regions across the 3 datasets, as this information was not provided in the data.
4. Resubmissions: If you have already submitted and would like to update your solution, simply update your GitHub repository. We will download all solutions from the provided links shortly after the deadline.

As a reminder, please submit your materials via the forms below:

- Submission Form: https://docs.google.com/forms/d/1tkUWhqUz_SW_q9Wfo9DIpzi7Hp4MyUjrayKAvEDZYJ4
- Inquiry Form: https://docs.google.com/forms/d/1oCHwF3ivVch_tGhOuVFVOWq0BDIMcngZXC2TVRCyQ

If you have any further questions, please use the inquiry form above.

Best regards,
The FlyWire Team
